With reference to the complain dated January 26, 2015 regarding conflict in Assignment for the Deputy Team Leader (DTL) proposed by Consolidated Management Services (CMS) for "Preparation of Basin Plan for Karnali, Gandaki, Babai and West Rapti basins", Water and Energy Commission Secretariat (WECS) has sought the clarification from the proposed Deputy Team Leader and concerned consulting firms.

On reviewing the complain and clarification received, it was observed that, the proposed Deputy Team Leader (Expert) for preparation of Basin Plan for Karnali, Gandaki, Babai and West Rapti basins had mentioned his unavailability for the assignment in Bagmati River Basin Improvement Project (BRBIP) on 16 Dec 2014.
